2000146	SR 9, Construct Turn Lanes, At State Route 44	--	20-61	Exempt	Intersection Improvement, Construct Turn Lanes. The intersection is experiencing congestion due to lack of dedicated left turn lanes for the eastbound and northbound approaches. Therefore, heavy thru volume is restricted to the amount of permissive left turn movements that can be accomplished during each phase. Install left turn lanes on the northbound and eastbound legs of the intersection.	3/26/2022
